

DRINKS PHILOSOPHY

Skip what you know, drink local.

Our cocktail list shines with fresh, authentic ingredients, including herbs and aromatics grown by local farmers. We also support neighbouring Bow Valley businesses such as Banff Tea Company, Park Distillery Banff & Wildlife Distillery Canmore.

Our wine list is 100% Canadian, not only for positive economic growth, but because it's a mighty fine drop, eh.... From BC to Nova Scotia, Canada is producing some great grape juice.

Canadians like their beer and, here at the Juniper, we like Canadian beer. From BC to Alberta to Ontario, craft beer is the way to go.

You won't find plastic straws here. We removed plastic straws back in May 2017 for obvious environmental reasons. Ask yourself, is it a necessity? Your drink is going to taste just as good without!
